High Purity At High Pressure

You've shown us, at Lawrence Factor, that making healthy breathing air involves more than using a great filter.

Beyond question, good maintenance habits and the use of high quality supplies set the level of reliance of your Breathing Air Compressor. That is why we have developed an even more extensive family of products for your air system.

Products that accompany the use of our familiar X-pendable® cartridge.

Products that bring you together at a one stop shop for all of your needs - from Intake to Fill Whip. Products that stand for craftsmanship and reliability.
